

# BAKER COVE WATERSHED COMMITTEE MEETING

August 5, 2020 10:00 – 11:30  
Zoom online meeting

---

## AGENDA

1. Groton Town Council - resolution to endorse the Baker Cove WBP
2. Updated Bacwac Plan of Work - July
3. Committee Member progress reports
  - Michelle / Maura - Create 'public-friendly' watershed map for handouts and social media posting - **Questions that need to be answered are: With limited map space, how should we decide which features to include? Should we include recreation? Should we include businesses?** What is a Watershed? (see suggestion from Rick S. and Kate B.)
  - Michelle / Heidi - Review activities under GOAL 6 - Promote good housekeeping practices among municipalities and property owners
  - Maura - Update on Canada Goose issues - email from Jane Urban, Environmental Biologist at Navy Subase. Mayor Hedrick – looking at options for goose management at beach.
  - Maura, Rick, Kate – GOAL 4 - Design water quality monitoring program
4. Eric T - Discussion of local committee review of the current BC WBP, document accomplishments, offer insight on lessons learned, and consideration of a revision or update for the next 10 year period.
